

### FEATURES

- Weatherproof (IP67)
- 1/3" Sony Super HAD CCD
- Resolution 480TV Lines
- Rugged Steel Construction
- Covers 180° angle of view without blind spot (Panoramic View)
- Attached Universal Mounting Bracket and 100' cable
- DC12V Power Source

### SPECIFICATIONS

|                       |                                      |
|-----------------------|--------------------------------------|
| Image sensor          | 1/3" Sony Super HAD CCD, 510H x 492V |
| Scanning system       | 525 lines, 2:1 interlace             |
| Horizontal resolution | 480 TV lines                         |
| Shutter speed         | Auto, Manual (1/60 to 1/100,000 sec) |
| Sync. System          | Internal                             |
| S/N ratio             | more than 46db (AGC off)             |
| Minimum illumination  | 0.1 Lux @F1.2                        |
| Video output          | Composite 1.0Vp-p @75 Ω              |
| AGC                   | Auto                                 |
| White balance         | Auto                                 |
| Lens                  | 3.8mm + 3.8mm fixed lens (180°)      |
| Current consumption   | 200mA Max @DC12V                     |
| Power supply          | DC 12V, 250mA                        |
| Operating temperature | -10°C to 50°C                        |
| Dimensions            | 98 (W) x 197 (H) x 133 (D) mm        |
| Weight                | 1.5 Lbs                              |

**Package Includes:**

- |                               |                              |
|-------------------------------|------------------------------|
| 1-Panoramic E.T. Color Camera | 1-Hardware Accessories Kit   |
| 1-UL Approved AC Adapter      | 1-Instruction Manual         |
|                               | 1-Warranty Registration Card |
